

there's a better way to deliver good music to the public...

© www.MeetingAudio.it +39 0522 831489

Ever since 1968, our core business has been based on excellent quality, constant innovation and exclusive know-how of a team of people truly beyond comparison in the worldwide professional audio. The skills and specialist knowledge of the **Sound Corporation** group's 3 divisions (*concert, club and commercial sound*) allow us to manage any kind of audio project accurately and skilfully, while always guaranteeing the very best for every one of our partners and clients.

So, better trust an important and reliable group like ours to bring good music to all the people of the world.
